Trent Alexander-Arnold

Age : 21

Current Team : Liverpool FC (England)

National Team : England National Team

Position : Right Full Back

Alexander-Arnold was born and raised in Liverpool. He was raised as a Liverpool supporter and has played for his boyhood club since the age of 6. He got scouted for Liverpool when they were running a half-term camp where a number of students from his school were invited to attend.....his name was luckily picked out of the hat to attend.

Alexander-Arnold is widely regarded as one of the best attacking full-backs in football due to his technical attributes of passing over short and long distances and his set piece/crossing delivery into dangerous areas. He was predominantly deployed down the right flank where his overlapping runs, switching of play, accuracy of crossing and work-rate in tracking back saw him become an important figure in his side's transitional, counter-attacking style of play.

Alexander-Arnold's upcoming games in January are :

Saturday January 11th 12:30pm vs Tottenham Hotspur

Sunday January 19th 11:30am vs Manchester United

Thursday January 23rd 3pm vs Wolverhampton Wanderers

Wednesday January 29th 2:45pm vs West Ham United
